

K-LOVE is the one station that I love to listen to on the radio. It's the best for up-lifting me and giving me a positive attitude. There is nothing to compare it to as far as pure enjoyment. This station keeps our community in a constant awareness of the God that loves us so much. And all the blessings we have including our K-LOVE. If this station is lost our community will lose an outlet that helps so many people deal with so many day to day stresses and greifs. We need more of God and less of the junk that's out there today. Remember God loves us and K-LOVE reminds us everyday that He is alive and well. God bless you and yours. hh
